Title: Dearest Zachary,

Author: Aylwin

You seemed to be resting

as well as you deserve. I
thought perhaps I would
consult with a tailor and
have some pleasing
clothes
made.

I cannot stop thinking
about tonight. I feel so
different now. I truly had
no idea what kinds of
feelings that closeness
could create. It is as if I
must thank you for giving
me an opportunity to
discover
my truer self. Without
fear, without being
beaten, without the other
horrible things.

You know, feeling desire
is such a wonderful thing.
In the event
that you did not
know of my
desire for you,
please know of
it now.

Truly yours.
